## SELECTMEN'S REPORT

During 1974 the Town completed the changeover from a calendar year to fiscal year cycle which begins on July 1 and ends on June 30th of the following year.

The Town's financial situation has improved from the real sad state it was in as of January 1973 with a deficit of \$134,891.85. As of July 1, 1974 the Town had a free cash account of \$51,951.00. Although the Town's cash position has improved we still have a way to go to be in a comfortable position.

During 1974 the Tax Rate was reduced \$18.00 to put the rate at \$51.00 per thousand.

Thru the excellent management of Town funds by the Treasurer and Accounting Officer we were able to go thru the year without borrowing money in anticipation of Taxes.

The Berkley-Dighton Bridge was re-opened in August of 1974 and is in a much improved condition. The Berkley and Dighton Boards of Selectmen are currently working on a solution to the slippery condition that occurs in the cold weather.

We would like to mention that this Town Report is for the calendar year 1974 with the exception of the Treasurer's and Collector's Reports which are for the 18 month fiscal cycle from January 1, 1973 to June 30, 1974.

During 1974 several miles of roads were striped with a center line and passing lines. Stop signs were installed at the corners of Berkley and Elm Streets and Locust and Porter Streets. The Town also adopted the State Bicycle Law. The Fire Dept. has reactivated the sirens on both stations and the new radio alarm system has been ordered and we are presently awaiting delivery. The Portable Classrooms that the Town voted to buy have been completed at the Elementary School and have been in service since September. The Police Dept's new cruiser was received and placed into service and the old cruiser was retained as a spare due to the fact it had little or no value as a trade in.

The Comprehensive Employment Training Act (CETA) was implementing during 1974 and the Town presently has (5) five positions filled by C.E.T.A. employees.

The Soil Conservation Board had many meetings during 1974 concerning violations of the Town Soil By-Law and

has, or is about to take action against the violators of this By-Law.

The Town's Historical Commission got under way during 1974 and is acting as the Town's Bicentennial Commission.

The Town's Conservation Commission has organized and is presently making plans for action during 1975.

We would like to thank all the Citizens of Berkley for their continued help this year. We are anxious to have your comments of ways to improve your Town. We also are looking for many new volunteers to help make Berkley an even better Town.

Respectfully submitted,

GEORGE A. MOITOA, Chairman

## PLANNING BOARD REPORT

Monthly meetings are held on the third Monday of the month at 7:30 p.m. in the Selectmen's office.

During 1974, no applications for subdivisions were filed and only 8 lots of land not requiring approval under the Subdivision Control Law were received and signed by the Board.

The Soil Survey, authorized at the 1973 Annual Town Meeting is now complete and is currently being reviewed by the Board.

Respectfully submitted,

GEORGE A. MOITOZA, Chairman  
THEODORE F. LIPPOLD, JR., Clerk  
NATHAN W. HOLMES  
FREDRIC W. NELSON

**REPORT OF THE FIRE CHIEF**

To the Board of Selectmen:

Gentlemen:

As Fire Chief, I submit the following report for the year 1974:

During the year, the Fire Department answered 115 calls; brush and grass fires, 28; buildings, 27; motor vehicles, 23; miscellaneous, 15; illegal burning, 9; Mutual Aid to Taunton, 7; to Lakeville, 3; to Freetown, 3. On two occasions, Mutual Aid was received from Lakeville; once from Taunton; once from Freetown.

Especially in view of recent increases in the use of fireplaces and wood-burning stoves, homeowners would be well-advised to have their chimneys cleaned at least once a year to help prevent chimney fires.

The ambulance, manned by Fire Department personnel, answered 91 calls; Morton Hospital, 43; other area hospitals, 15; auto accidents, 16; homes and rest homes, 6; miscellaneous, 11.

Because of the termination of federal funding for our full-time firefighter last May, the Town ambulance service had to be discontinued (during the day) for approximately one month—due to a lack of available, qualified personnel. We have again applied for and received federal funding for a full-time firefighter; this funding expected to end later this year.

If we want and expect to have the best possible fire and ambulance service on a round-the-clock basis, we must be committed to ensuring that qualified firefighters and Emergency Medical Technicians are readily available. Otherwise, our all-important response time, as well as our ambulance service itself, remain in jeopardy for the future in light of recently-enacted State rulings. These rulings require that ambulance services must ensure availability on a 24-hour, 7-day-per-week basis.

I wish to thank the Firefighters, Police Department, and all others who have helped me carry out the duties of this office.

Respectfully submitted,

JAMES R. BARROW,  
Fire Chief

## REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

Regular meetings of the Board are held on the third Wednesday of each month at the library at 8 p.m. Carolyn Milko is chairman and June Moskal is secretary. Irene Viera is publicity chairman.

A story hour was held in August with a movie and picnic provided for the children on the last day.

The kindergarten continues holding classes in the basement of the library. Also, the library continues to serve the students of the Junior High School on Thursdays.

This summer the library received some much needed outside repair including partial rebuilding of the front steps, repointing of all brick, all exterior window casings repaired or replaced, windows puttied, all wood trim painted, a new drainage system installed on the southerly side of the building and a new back door and canopy installed. All these repairs were made possible through Revenue Sharing funds.

Our sincere gratitude to Cathy Custy for her able management of the library. Her pleasant manner adds to the harmony enjoyed by all connected with the library. Special thanks to Doris Caron, our assistant librarian, and to Eleanor Martin who occasionally fills in as assistant.

Respectfully submitted,

CAROLYN MILKO  
JUNE MOSKAL  
IRENE VIERA

## BERKLEY PUBLIC LIBRARY REPORT

Library hours for the Berkley Public Library are Monday 6 - 8 p.m., Thursday 10 a.m.-8 p.m., and Friday 2 - 5 p.m. Summer hours are the same except for Thursday; the library then opens at 5 p.m. The morning opening on Thursdays enables the Berkley Junior High School students to visit the library between 10 a.m. and 1 p.m.

Since the junior high school is within close walking distance, the teachers walk to the library with their respective classes during part of their Reading period. Each student is allowed to check out five books, two periodicals and one record. Last school year we had two classes visit us each week on a three week basis. Since September, however, we have four classes in every Thursday morning on an alternate week basis. This change was made at the request of Mr. Edward Canuel, Principal. Mrs. Doris Caron, Assistant Librarian, has been of great help to me on Thursday during the school year.

Last January I asked the trustees if we could discontinue the collection of fines on overdues because of the gasoline shortage. I felt that the patrons, for the most part, returned books promptly and I did not like to penalize them if they could not get to the library on their exact due date. The trustees gave their approval and we have had "no fines" during the past year. This has worked out very well and the patrons are pleased.

We have had several students volunteer their services as Library Aides. It has been my pleasure to orientate them to library procedures and I am most appreciative of their tremendous assistance. Library pins were earned by Laura Van Cott, Deborah Harju and Michael Bettencourt.

A story hour was held every Wednesday morning during the month of August for children in grades K - 5. Mrs. Diane Ennis and Mrs. Doris Caron assisted me as storytellers.

If we do not own library materials that a patron requests, we try to fill the request through the Eastern Regional Bookmobile Service or Taunton Inter-Library Loan. Both have been very accommodating.

The Berkley Public School Kindergarten is still sharing the library building with us and we enjoy having them.

During the year we had over 100 new members register for library cards and once again we invite new residents and/or all townspeople to visit your library.

It is a pleasure serving you!

Respectfully submitted,

CATHERINE CUSTY,  
Librarian

**INDUSTRIAL DEVELOPMENT COMMISSION**  
**of Berkley, Mass.**

**ANNUAL REPORT**

During the year 1974, several meetings were held by the Industrial Development Commission for the Town of Berkley, at the Berkley Junior High School.

The Commission discussed various methods that can be used to induce new business and industry to locate in the Town of Berkley and emphasis has been laid upon new ways of Advertising, at present we are advertising in out of Town Newspapers.

The members were kept fully informed of all new developments, and all new legislative acts or changes in some, pertaining to Industrial Commissions in cities and towns in the Commonwealth.

A number of Industrial Corporations showed interest in available industrial and business locations during the year and we are pleased to announce that we are at present negotiating with two firms and they may decide to locate in our town in the not too distant future.

The Commission also noted that substantial improvements and expansions were made by the present businesses now located in our town and we look ahead to a bright future.

Respectfully submitted,

EDMOND B. ST. YVES,  
Secretary

Inspector of Animals

## BOARD OF HEALTH REPORT FOR 1974

Regular monthly meetings of the Board were held on the first Thursday of every month at the Berkley Junior High School.

At the May meeting, Robert DeArruda was elected Chairman and Mary Flint was elected Clerk. John Fernandes was chosen as Board member to serve on the Soil Conservation committee.

The Town rubbish disposal facility again ran smoothly and new stickers were issued to residents during the year.

Permits issued during the year were as follows:

- 6 piggery
- 4 for transportation of garbage
- 2 sanitary landfill
- 1 transfer station
- 1 chemical toilet
- 2 campground
- 1 for storage of needles and syringes

The Board would like to thank their various appointees for the fine way in which they performed their duties.

Respectfully submitted,

ROBERT J. DeARRUDA, Chairman  
MARY T. FLINT, Clerk and Member  
JOHN FERNANDES, Member

## REPORT OF THE DOG OFFICER FOR 1974

Twenty-five stray dogs and 4 stray or abandoned puppies were picked up and confined the required number of days.

Ten dead dogs were disposed of and several dog complaints answered.

Respectfully submitted,

ROBERT B. MARSHALL,  
Dog Officer

## BRISTOL COUNTY MOSQUITO CONTROL PROJECT

### ANNUAL REPORT — BERKLEY, MASS.

On June 30, 1975, the Bristol County Mosquito Control Project will complete sixteen years of service to the Town of Berkley and eighteen other communities in the county.

The Town of Dartmouth has recently rejoined and the Project now services the entire county.

The Project experienced one of the driest seasons ever and the calls for service were light enough to allow for the larviciding or areas that contained water throughout the summer.

A human case of equine encephalitis was confirmed in the city of Taunton. This was the only incident in the county.

This was reason enough for the Department of Public Health to aerial spray a few communities in the northeastern section of the county.

In March our larvicide program got underway and 26 acres were treated before our mist blowers were mounted on the first of May. The spraying season terminated on September 13, 1974.

With the spraying season over, the mist blowers were removed and all crews turned to our brook and ditch maintenance program. This resulted in the removal of 575 feet of debris and obstructions from existing brooks and ditches. 575 feet of brush was also removed to allow proper drainage and to aid in preventing unnecessary flooding. Our tractor was used in reclaiming 600 feet of ditch in areas where hand work was not feasible.

All personnel are licensed for the application of pesticides by the Commonwealth and in 1975 will be licensed by the Federal government.

This Project uses only pesticides approved by the State Pesticide Board.

We want to thank the residents of Berkley for their continued cooperation.

Respectfully submitted,

FRANK W. DILLINGHAM,  
Superintendent

FWD/nc

## REPORT OF THE BRISTOL-PLYMOUTH REGIONAL TECHNICAL SCHOOL COMMITTEE

I herewith submit my seventh annual report to the citizens of Bristol-Plymouth Regional Technical School District.

The school committee held twenty-four regular meetings. Additional meetings were held for formulating the budget and work by the salary committee.

The officers re-elected at our annual meeting were: Donald K. Atkins, Chairman, Middleborough; William R. Powers, Vice Chairman, Raynham; L. Allen Freeman, Treasurer; and Caroline Tripp, Clerk.

Mr. Kenneth Custy, Assistant Superintendent-Director of Bristol-Plymouth, resigned this position to accept that of Superintendent-Director of the Tri-County Regional Technical School District. Mr. Custy's resignation was accepted with regret by the committee, as he had served Bristol-Plymouth with sincere dedication since October, 1972.

Mr. Daniel Saunders, Curriculum Coordinator at Bristol-Plymouth, was elected to the position of Assistant Superintendent-Director and is showing good ability in this position.

A new course, Industrial Plant Maintenance, was added to our curriculum and it is proving most popular. James DiVincenzo is the shop instructor.

Mrs. Jean Whelan has been elected to our guidance staff and is making an excellent contribution as counselor to our students.

Mr. Albert Palmieri of our physical education staff was elevated to the position of Athletic Director. His department is both active and successful.

Mr. John Correia and Mr. Donald Sullivan have taken over the duties of curriculum coordinators for shop and academic subjects, and their contributions are being felt daily.

The Bristol-Plymouth Regional Technical High School has begun implementation of the state's new comprehensive special education law, Chapter 766. A Special Needs Coordinator, Mr. Peter Rickard, has been appointed to coordinate the school's efforts in evaluating students with special needs who are presently enrolled in the school and in preparing

educational plans for those students who may need special educational assistance. Mr. Rickard has the sole responsibility for the implementation of Chapter 766, and is making an outstanding contribution in a very sensitive area. The cost of supervising 766 is being compensated by a federal grant.

The Evening School at Bristol-Plymouth registered over 1500 students in 30 different courses in the occupational and craft areas. As a community service to the region, the school is open four nights per week for twenty weeks. In addition to the regular program, a General Education Development Program has been instituted for adults who wish to obtain their high school diploma.

The Commonwealth of Massachusetts sponsored a Manpower Development Program with Federal funds. It was a six months course in training twelve men in the field of carpentry. Eleven were placed in industry and are earning good salaries in their chosen field.

A very interesting course that Bristol-Plymouth developed for the Department of Public Works was one to up-grade the skills of their automobile mechanics. This was conducted in our automotive department from three to five-thirty p.m., two afternoons a week. Also, our course was used in the Springfield area because of its success at Bristol-Plymouth. Ohio University has asked if they might use our curriculum for one of their offerings.

The Energy Conservation Corps, of Washington, D.C., presented a program at our school and invited area students to participate. Bristol-Plymouth was the only secondary school in New England presenting this program.

In the area of donated equipment, we are indebted to the Massachusetts Department of Education, Division of Surplus Equipment for office furniture and sheet steel and aluminum for our metal fabrication department and to the Public Service Company in Taunton for the donation of data processing equipment. The **Boston Globe** was generous in donating a linotype machine to our graphic arts department.

Bristol-Plymouth certainly subscribes to the philosophy that our students learn by doing. They have been engaged in jobs worth over \$104,000 in commercial value, work having commercial value of almost five thousand dollars for our municipalities, and work with a commercial value of over one thousand dollars for Non-Profit organizations.

Your Superintendent-Director had the pleasure of working with other Superintendent-Directors in bringing House Bill 6477 to its fruition. This bill gives sixty-five percent state aid for post-graduate courses.

The school is reaching its maximum with 707 students in the under-graduate school and 77 students in the post-graduate school, giving a total of 784 students. The Attendance record at our school is an excellent one, with ninety-four percent attendance for the school year. This can not only be attributed to the fine cooperation of our students and their excellent parents, but also to the follow-up program that is executed by our school nurse, Mrs. Jane Whittemore.

Again, we wish to report the succes of our summer pre-vocational program and its sincere acceptance by the parents and students. This too was made possible by a federal grant.

The State office has been complimentary with their many letters of commendation concerning our school. The local industries that accept our graduates and under-graduates and have given them a chance to succeed have been most generous. Our fine parents, who cooperate with us daily to make Bristol-Plymouth the kind of school that makes us all so proud, are probably the finest assets we possess.

We are pleased with the satisfaction expressed by the citizenry regarding the standards and operation of Bristol-Plymouth. We shall continue to strive to keep it the finest technical school in the state.

Respectfully submitted,

CHARLES F. DAY,  
Superintendent-Director

## COUNCIL ON AGING

Board of Selectmen  
Berkley, Mass.

The Berkley Council on Aging was established by vote at the Annual Town Meeting in March, 1973, in accordance with the provisions of Chapter 40, Section 8B of the General Laws of the Commonwealth, to carry out programs designed to meet the Problems and Needs of the Elderly in Berkley, and in cooperation with Programs of the Executive Office of Elderly Affairs in the Commonwealth of Massachusetts.

Programs accomplished by the Berkley Council on Aging for the past year ending December 31, 1974 are as follows:

1. The Council sponsored one free flu shot clinic—60 senior citizens attended.
1. Ten free health counseling sessions—total of 75 seniors attended.
3. Two Christmas shopping trips.
4. One Foliage trip with lunch provided.
5. One Christmas display trip to Edaville with oyster stew supper provided and served at the Myricks Methodist Church.

Plans for the future include the following:

1. Providing and distributing Identification Discount Cards.
2. The continuation of our existing programs.
3. Sponsor a conference to test blood for anemia.

The Berkley Council on Aging meets once a month.

The Council consists of the following seven members:

Hugh Kenworthy, Chairman  
Rev. Richard Dean, Vice Chairman  
Elaine Boudreault, Secretary  
Bernice Pierce, Treasurer  
Madelyn Scott  
Peg Silvan  
Frances Trenouth

Each member has put in a great deal of volunteer time and effort into planned and completed projects, and have worked together enthusiastically and cooperatively.

Respectfully submitted,

HUGH KENWORTHY, Chairman  
Berkley Council on Aging

**ANNUAL REPORT OF THE PLUMBING INSPECTOR**

To the Citizens of the Town of Berkley:

I would like to submit the following report for the year 1974.

I was appointed the Plumbing Inspector for the Town of Berkley in May. Since my appointment I have inspected the plumbing installations at 18 locations.

There was one (1) complaint of faulty plumbing in a home. This complaint was investigated and a letter listing the violations was sent to the Board of Health.

I wish to thank the Board of Health and the Building Inspector for their cooperation in helping me to do my job.

Respectfully submitted,  
DONALD E. FRENCH,  
Plumbing Inspector

---

**REPORT OF BUILDING AND SANITATION INSPECTOR**

Building Permits .....	27
Add. Sheds and Garages .....	17
Removals .....	2
Sanitation Permits .....	26
Well Permits .....	26
Installers Permits .....	18

Respectfully submitted,  
JOSEPH MEDEIROS,  
Building, Sanitation & Well Inspector

## SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT

We are pleased to report that Berkley continued during 1974 to benefit from its membership in the Southeastern Regional Planning and Economic Development District (SRPEDD).

SRPEDD is one of the State's 13 regional planning agencies and Berkley is one of the District's 30 municipalities. Formed in accordance with Chapter 40B of the Massachusetts General Laws, the District enables Berkley to plan jointly with its neighbors for the purpose of promoting with the greatest efficiency and economy the coordinated and orderly development of the area and the general welfare and prosperity of our citizens.

This planning is done by a full-time staff with policy guidance being provided by a Commission composed of two representatives from each community. Berkley's delegates are George Silva on behalf of the Board of Selectmen and Fredric Nelson from the Planning Board.

Berkley provided \$304.05 of the District's 1973 budget of \$515,000. The town benefited from the District's areawide work on such topics as transportation, housing and economic development, thus saving the town considerable money.

Berkley will be similarly benefited in 1975. SRPEDD will continue to provide technical assistance to the municipalities within its boundaries as well as be conducting valuable regional planning efforts such as transportation and water resource protection.

FREDRIC NELSON,  
Board of Selectmen Representative

## BICENTENNIAL COMMISSION

The Bicentennial Commission was organized in October, 1974, and monthly meetings, open to all Berkley residents, have been held. The first phase of the Bicentennial planning has been completed as follows:

A quotation by Will Durant, "Let us, before we die, gather up our heritage and offer it to our children" influenced our decision to present two programs for Berkley school children. A program of Colonial Crafts will be taught during July and August by a group of qualified volunteers directed by Carolyn Chester and Diane Ennis, co-chairmen. The program will be held at the Junior High School and bus transportation will be available. An exhibition is planned at the end of the program to display the completed projects.

A year long program, based on Berkley history, will be presented in the Berkley schools from October, 1975, through June, 1976. Museum quality Slide Lectures with supporting exhibits and interesting guest speaker will be featured. The subjects will include Geology, Indian Archaeology, Early Settlement, Founding of the town in 1735, Industries and the men who established them, Everyday living of our ancestors, Revolutionary War and Berkley's Soldiers, A Mini Trip to see a Colonial Church with a Paul Revere bell, and for the finale, a Parade, Colonial Muster on the Common and a Red, White and Blue Birthday Party. This program, with a value of more than \$5000. will be presented at no expense to the town. It will be directed by Blanche E. Trzcinski, chairman.

The Committee is now planning the second phase of Berkley's Bicentennial. Meetings, open to all, are held the second Monday of each month in the town office. We need your ideas and support; come and help us plan YOUR Bicentennial.

## HISTORICAL COMMISSION

The Historical Commission was organized in May, 1974, and regular monthly meetings have been held in the town office. Berkley has been divided into seven areas to coincide exactly with the old school district, namely, Burt's Corner, Berkley Bridge, Assonet Neck, Berkley Common, Skunk Hill, Algerine and Myricks. Historic sites, houses and cemeteries within each district will be documented by pictorial and written records to be deposited in the state and town archives.

Tape recordings have been made of the reminiscences of Berkley Senior Citizens and will be stored in the town archives. These interesting and important segments of town and family history covering the past hundred years are extremely valuable. Anyone who would like to take part in the tape recording sessions is urged to contact Mrs. Marian Stetson who is in charge of the program.

Submitted by the Committee,

## 4. COMMENT

I would like to take this opportunity to thank all who helped me carry out the responsibilities of this office thru this our transitional year of 18 months.

During this past 18 months we were unable to concentrate on delinquent taxes as much as we would like. but now that I have a part time clerk I'm sure we can accomplish a lot this year.

Respectfully submitted,

ALFRED T. TOWNLEY III,  
Collector of Taxes

5. Following the registration, appointments will be arranged for a vision and hearing evaluation at school.

### Health Policies

1. In case of illness, doctor's certificates are only necessary for communicable diseases or if specifically requested by the school.
2. No student will be allowed to bring medications to school unless the school nurse has a doctor's order specifically stating the name of the medication, dosage, time to be given, the student's diagnosis and the necessity of taking the medication during school hours. The doctor's order should be accompanied by a signed and dated note from the parent requesting administration of the medication. A final check with the school physician will be made by the school nurse.
3. Transportation of a sick child is the responsibility of the parent and only in an emergency will the school provide transportation.
4. Vision and hearing screening tests are conducted annually.
5. Physical examinations are given yearly in grades: Kindergarten, one, five, and eight.

### School Hours

The Berkley Elementary School is in session from 9 a.m. to 3 p.m.

The Berkley Junior High School is in session from 7:30 a.m. to 1:30 p.m.

When a student is absent from school, he is expected to bring with him a written excuse from his parents explaining his absence.

A request for dismissal before the end of the day should be made in person or in writing by the parent.

The Principal's Office, located at the Berkley Elementary School is opened from 7:30 a.m. to 4:00 p.m.

### **No School Information**

When weather conditions are such that our buses are unable to run, a no school notice will be broadcast over Radio Stations: WSAR, Fall River; WPEP, Taunton; WPRO, Providence; WARA, Attleboro.

### **Transportation**

Bus transportation is provided for our students in grades K-12. Bus rules for students have been established by the School Committee. A student must not abuse the privilege of riding to and from school by misbehavior. The enforcement of bus rules is the responsibility of the bus driver. Lesser infractions are handled by warnings and restrictions. When a positive change in the student's behavior has not been affected or a serious offense has occurred, the procedure calls for the student's referral to the Office of the Principal. The next offense will call for a probationary period followed by loss of bus privilege.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I hereby submit my twentieth annual report. Incorporated herein is the report of the Berkley School Committee and the composite report of the School Nurse, the Principal and the Music Department.

### Personnel

Mr. Edward Martin left Berkley Junior High School last June to accept a position at Dighton-Rehoboth Regional High School. He was replaced by Mr. Edmund Rafferty, a recent graduate of State College at Bridgewater. Mrs. Margaret Martinez, Title I teacher for 1973-74 was hired to teach grade 6. Mrs. Ellen Ranney who has taught in special services for the past few years replaced Mrs. Martinez in Title I. Other changes were minor and consisted of shifting personnel to meet the demands of Special Education and Physical Education.

### Buildings and Enrollment

Enrollments remain about the same as they were in 1973-74. There seems to be a trend developing toward smaller enrollments in the lower grades. This decrease is offset by pupils moving into town and entering the upper grades. We gained some relief as far as space is concerned with the addition of portable classrooms. A sixth grade was moved from the Junior High to the portable classroom and the elementary class located in the nurse's room was located in the second portable classroom. The three small rooms in the portable building are used as resource rooms to help students with specific problems.

We still run a class in the Elementary School Library and kindergarten in the basement of the Town Library. If enrollments continue to decrease these classes may be absorbed in the Elementary School. If enrollment increases and new families move into town we will be looking for more space. Only time and economic conditions will solve the problem.

### High School and Regionalization

A technicality delayed an attempt to include Berkley as a member of the Dighton-Rehoboth Regional School District. This vote will be taken before the annual Town Meeting. The

Regional School District is looking for relief and it must come about in one of two ways: Either Berkley joins and takes part in a building addition to provide needed room or if Berkley is not voted in and no addition is provided the students will probably be phased out.

Bills are being placed before the State Legislature to abolish School Unions. School Union #37 consisting of Berkley, Dighton, Gosnold and Rehoboth is one such Union. If this is passed the towns would either have to regionalize in grades K-12 or if they were large enough, which Berkley isn't, they could go to a single town system. A vote to abolish Unions would be effective September 1978 with plans by June 1977. This bill would also call for greater funding of regional districts by the State. At this point the question of additional funds raises some concern as to where the money would come from.

### Finances

At this time we are only half way through the 1974-75 fiscal budget. The present balances would seem to indicate that the present budget will meet our needs. The School Committee has prepared a final budget for the 1975-76 year to be presented to the Finance Committee. The increase is 5.76% which is very low in these days of rapidly rising costs. An overall budget of \$747,767.00 was presented for 1975-76. The School Committee reduced this by \$10,253.00 to make the request for 1975-76 \$737,316.00 or a \$40,194.00 increase. Some of the larger increases were one new teacher \$9,000.00, high school tuition due to more pupils and an increase in the rate was increased by \$17,700.00. Special Education costs to meet the requirements of Chapter 766 legislation increases approximately \$15,000.00. Financially the next few years could be very difficult as we are facing increased costs and decreasing reimbursements to offset costs.

### Conclusion

I would once again call to your attention to the 25¢ lunch prepared by Mrs. Adela Viveiros and her staff. They certainly are doing a remarkable job in these times of inflated prices. I wish to commend the faculty for the work they have done and their understanding of the working conditions. Mr. Babbitt and Mr. Majcher, the custodians have worked hard to keep their buildings in good repair.

Mr. Edward Canuel, the principal, deserves a great deal of praise for the way he goes about planning programs and

solving problems. In his quiet way he accomplishes a great deal to make the schools a good place for children to be in.

I wish to thank the service organizations, the P.T.O. and the parents for their cooperation over the past year. We appreciate not only the material suport but the moral suport.

Respectfully submitted,

ROBERT T. ROY,  
Superintendent of Schools

## REPORT OF THE PRINCIPAL

Mr. Robert T. Roy  
Superintendent of Schools

Dear Mr. Roy:

I hereby submit my sixth annual report as Principal of the Berkley Schools.

### Temporary Building

With the opening of school this September, a temporary building was joined to the elementary school. Since the building was not ready for classroom use, the stage and health room became temporary teaching areas. Within a week, we anxiously moved from these inconvenient areas into new classroom spaces. Two large classrooms housed a fifth and sixth grade and three small rooms were set up as resource rooms. This much needed space enabled us to adequately care for our crowded grades at the elementary and junior high schools and to provide sufficient space for our special needs programs.

### Reading

Our Reading program in grades 1-5 was updated this year. The Economy Reading Series was selected by the staff and administration. It is a multilevel program which fosters an active attitude towards reading. The student is sufficiently challenged to develop reading skills and to achieve reading competency. At every level skills are reviewed and new skills are developed. At the intermediate level, structural analysis skills are emphasized, study skills are required, and an appreciation of literature is gained. Sufficient materials: textbooks, workbook, duplicating masters, and teaching manuals are provided to offer an interesting reading program for students and teachers.

### Title I

The 1974-75 program expands our first year's successful efforts. It continues to serve students who need help in reading, spelling, handwriting, and language development. This year's project grant obtained the services of a teacher and two instructional aides along with equipment and materials. Some 40 students welcome the opportunities for experiences and success which they can take part in. The individualized and/or small group instruction allows students to perform at

a level at which they can succeed. A Parent Advisory Council is a small but active group of parents of children attending the Berkley Schools. PAC meetings are scheduled monthly to review the program with the Director, Principal, and Title I staff.

### **Chapter 766**

The General Court of Massachusetts has mandated that children with special needs be evaluated and an educational program developed to provide services in order that their educational potential be realized. Berkley Schools have been engaged for several years in evaluating and caring for a great number of such students. Our program this year has been expanded with the screening of all Kindergarten students. Each parent was asked to complete a questionnaire; a health, vision, and hearing assessment was performed; and an assessment of a child's visual, auditory, motor, and language functioning in practical tasks and activities was made for each child.

With the addition of a full time resource teacher and some adjustment counseling services, we have been able to maintain adequate programs for children with special needs. We do foresee the need of some increase service in the future. However, it must be noted that our past efforts have enabled us to implement Chapter 766 without serious economic problems.

### **Extra-Curricula Programs**

Our Junior High School Band and Chorus have been engaged in several exchange and regional programs. Each time Berkley students conducted themselves well and left a favorable impression on its audiences.

Girls and boys receive equal opportunities in our intramural sports programs. Each sport has seen about 70-80% of our students as participants. Moreover, some teacher volunteer programs are offered: chess tournaments, girls' workshop sessions, crafts activities offer our students a more varied program.

### **Lunch Program**

Our cafeteria staff, under the direction of Mrs. Adella Viveiros, continues to provide our students with the same hot nutritional meals under most difficult economic problems. It is only through the efforts of this staff that we are able to serve these well-balanced meals at the same price. Few communities in the area are able to sustain such a good program.

### Conclusion

The community has become interested in school oriented programs. Our Title I Parent Advisory Council, the Berkley Public Library Staff, the Berkley Parent-Teacher Organization, the Berkley Police Association, and several parent volunteers have made our schools better by their dedicated efforts.

In conclusion, I wish to take this opportunity to publicly thank the following for their contributions and cooperation: the School Committee, Mr. Roy, the Administrators, Special Servives, Mr. Cardoza, the teaching staffs of our schools, all school personnel, parents, and students of the Berkley Schools.

It has been a satisfying and rewarding experience to serve and contribute to the educational life of Berkley.

Respectfully submitted,

EDWARD G. CANUEL.

Principal
